

MONDAY

CLUB/SOCIETY	STAFF	WHERE	WHEN	WHO FOR	INFORMATION
Robotics Club	MCI	DT Studio	13.15-14.00	Y7 - 13	During lunchtime, pupils will have the opportunity to build unique robots of all shapes, sizes and function. They will learn about gears, motors, sensors and mainboards work through fun and exciting challenges.
LAMDA	VL	Drama Studio	13.00 – 13.55	Y8 – 9 (with Y10 LAMDA Youth Leaders)	Students will continue their LAMDA journey, further developing confidence, communication and performance skills whilst working towards their graded LAMDA examination. LAMDA takes place each Monday lunchtime in the Drama Studio. Students must attend every workshop, arriving promptly with a nut free packed lunch. This is a paid activity and places are limited. Course 1 will be completed with the Examination Days taking place at HBS on Thursday 22nd and Friday 23rd January. Examination Day schedule to follow. A parent mail will be sent out to Year 8 and Year 9 students already signed up, offering the opportunity to start Course 2 straight after the examinations. If any new Year 8 and 9 students are interested in joining our LAMDA class, please email vlevy@hbschool.org.uk this week to add your name to the waiting list. Beginners welcome, as are those who have already studied LAMDA.
Politics Society	JT	H2	13.20 – 14.00	Y7 – 13	Think you have the skills to be the next Prime Minister? Come along to Politics Society to get involved with the world of politics. Engage with debates on a variety of political issues, explore the realm of policymaking, and listen to a range of speakers ranging from students to professionals. The club is open to anyone with any degree of interest in politics, and will cover both the basics and the real philosophical questions. Join our Google Classroom for more information: awxuit7 .
Maths Society	CM	M6	13.20 – 13.55	Y10 – 13	Maths Society is a fun and engaging club for students interested in exploring maths beyond the curriculum. Sessions include interactive games, puzzles, challenges, debates, and competitions, as well as talks from students and external speakers that highlight the real-world applications of maths and its wider impact.
Islamic Society	ASQ	M1	13.20 – 14.00	Y7 – 13	We hope to cultivate a safe Islamic community within HBS, allowing students of all ages to feel comfortable to share their experiences. For the last two years, we have partnered up with Islamic Relief and raised over £2000 for causes around the world. We are hoping to work with them again this year, so if you would like to get involved with new philanthropic endeavours, please join us!!! We discuss topics that directly affect us as the Muslim youth, ranging from Islamophobia in western media, to struggles with wearing the hijab, to understanding the meaning behind prayer. Our activities would include kahoots, bake sales, talks from speakers, powerpoint presentations, and the opportunity to present their own ideas.

Spring Term Extracurricular Timetable 2026
Extracurricular Google Classroom - pc7gvze

Entrepreneurship Club	CL	BIT	13.20-13.55	Y7 - 13	A creative club that allows people to understand the inner workings of running a business and designing products. It will also help people to work on their teamwork skills as well as public speaking as they will ultimately give a pitch for their idea at the end of the year to a panel of external judges. It will work by us setting a theoretical starting budget and then have them first come up with initial ideas and then develop their ideas into a full project keeping into account manufacturing costs, environmental impacts of their materials and productions, the existing market and their competitors, advertisement etc. Additionally, we will go into the theory of businesses in a more lesson style, examining existing businesses and seeing how other industries and careers link to them.
Y13 Chemistry Clinic	WA	Lab 1	13.30 – 13.55	Y13	You come with questions, we give you answers.
Junior MedSoc	RG	Lab 7	13.20 – 14.00	Y7 - 9	Junior Medsoc is a club open to KS3 to build early interest in medicine and healthcare, providing a variety of interactive activities to not only learn what a career in healthcare has to offer but also inspire curiosity and enthusiasm in this field. We aim to make it less career and application focused like Medsoc but to simplify concepts to gauge interest and explore biological topics beyond the classroom.
Flute Ensemble 2	Mrs Silverman	Music Room	13.20 – 14.00	Y7 - 13	Flute players Grades 1 – 4. NO AUDITIONS!
Computer Science Club	MCI	DTE Studio	13.25 – 13.55	Y7 – 9	The club is designed to introduce younger students, including those with little to no prior experience, to the basics of computer science. It will focus on simple coding activities, problem-solving tasks, and logical thinking exercises. Students will have the opportunity to explore how computers work, create basic programs or games, and develop useful skills. In addition to learning coding, there will be weekly challenges and small projects to help students apply what they have learned.
Parkrun	KF	Meet outside changing area	13.00 – 13.30	Y7 – 13	An opportunity to develop your fitness and well-being by walking, jogging or running off-site. You will go on different routes working at your own fitness level. Bring your headphones and a great playlist if you want. Our aim is to build up to a 5km Parkrun. This club is for EVERYBODY.
Wind Band	JH	Rehearsal Room	13.15 – 13.55	Y7 - 13	Woodwind and Brass instruments + bass, drums & percussion, approx Grade 3+. No auditions!
Football	JR	MUGA	13.15 – 13.50	Y7 - 13	Skills and match play.
Debating Club	DSL	H1	13.20 – 13.55	Y7 - 13	Come to Debating Club to discuss the most pressing issues of the day, ranging from

Spring Term Extracurricular Timetable 2026
 Extracurricular Google Classroom - pc7gvze

					zombies versus vampires, to the morality of grammar schools, to Harry Potter versus Percy Jackson. A welcoming environment to develop confidence in debating skills, to learn, and to have fun! Come along Monday lunchtimes in H1 and bring your friends. It is welcome to all years.
Astronomy Club	RX	Lab 4	13.20 – 13.55	Y7 - 13	Come along to Astronomy Club if you're curious about the sciences which drive the phenomena taking place in our universe, from black holes to the aurorae. There will be fun quizzes and competitions with prizes, and exciting experiments to explore, from telescope building to analysing potential meteorites. Do come if you want to learn more about the cosmos together, and to have a stellar time! All years, regardless of prior knowledge, are welcome!
Tang Soo Do	John Stavrou (coach)	Gym	15.25 – 16.45	Y7 - 13	Starting after Feb Half Term. Tang Soo Do is a Korean art of self-defence. The name "Tang Soo Do" in Korean means "The way of the empty hand". Tang Soo Do is taught in a non-contact environment. Training includes the teaching of self-defence techniques, hand and foot techniques, controlled sparring and free fighting, stances, pattern forms, and breathing exercises. There is a charge for this activity. Look out for the Parentmail.

TUESDAY

CLUB/SOCIETY	STAFF	WHERE	WHEN	WHO FOR	INFORMATION
Guitar Ensemble	Mr Goldberg	Music Room	8.20 – 8.55	Y7 – 13	Guitar players. No Auditions! With Mr Goldberg. See the Music Dept for more information.
Robotics Club	MCI	DT Studio	13.15-14.00	Y7 – 13	During lunchtime, pupils will have the opportunity to build unique robots of all shapes, sizes and function. They will learn about gears, motors, sensors and mainboards work through fun and exciting challenges.
LAMDA	VL	Drama Studio	13.00 – 13.55	Y8 – 9 (with Y10 LAMDA Youth Leaders)	Students will continue their LAMDA journey, further developing confidence, communication and performance skills whilst working towards their graded LAMDA examination. LAMDA takes place each Tuesday lunchtime in the Drama Studio. Students must attend every workshop, arriving promptly with a nut free packed lunch. This is a paid activity and places are limited. Course 1 will be completed with the Examination Days taking place at HBS on Thursday 22nd and Friday 23rd January. Examination Day schedule to follow. A parent mail will be sent out to Year 8 and Year 9 students already signed up, offering the opportunity to start Course 2 straight after the examinations. If any new Year 8 and 9 students are interested in joining our LAMDA class, please email vlevy@hbschool.org.uk this week to add your name to the waiting list. Beginners welcome, as are those who have already studied LAMDA.
Multi-gym	KF	Multi-gym	13.15 – 13.50	Y9 – 11	An opportunity to use the Multi-gym facility and work on their own fitness.
Netball Match play	JR	MUGA	13.15 – 13.50	Y9 – 13	Netball match play.
Chamber Orchestra	JH	Music Room	13.15 – 14.00	Y7 – 13	Do you play a stringed instrument at approx. grade 7 standard +? AUDITIONS. (KS3 should have already played in an HBS ensemble to be eligible).
Junior Choir	Ms Hirsch	Rehearsal Room	13.15 – 14.00	Y7 – 8	No auditions!
Electronics Club	MCI	DTE Studio	13.20 – 14.00	Y8 – 12	Learning about electronic components, Designing and building circuits, Coding and product design, Developing presentation and communication skills through project pitches. Towards the end of the year, we hope to participate in external electronics competitions. If this is not possible, we will organise another large-scale term project.
Engineering Society	MCI	DTE Studio	13.20 – 14.00	Y7 - 11	Do you have a passion for engineering or STEM? Join Engineering Society, where we explore and build a variety of thrilling projects. From aeroplanes to rollercoasters, bridges to missiles, trains to rockets, Engineering Society is the place for you to learn, build, design, and, of course, win. Whether you're an aspiring engineer or simply love a good competition, Engineering Society provides exciting opportunities to deepen your understanding of Engineering and STEM.

Fashion Fantasy Club	RX	R16	13.20 – 14.00	Y7 - 13	Fashion Fantasy Club is a fun and creative club themed around fashion! We will kick off the year with a fun competition in which you will design and make your own clothes to be modelled on a runway at the end of the project. We will also explore different fashion icons, brands, and learn about style and how it is constantly changing. We hope to see you there!
Jewish Society	EMB	R7	13.20 – 13.50	Y7 - 13	Come every Tuesday to Room 7 for a mixture of games, presentations, external speakers and so much more! Whether you're a Jewish pupil looking to learn more about your religion or simply curious about Jewish culture, traditions and history, all are welcome. Starting next week, Tuesday 16th September. Any questions, just ask Milly, Leah, Dina, Celine or Micol in sixth form. Kosher pizza provided weekly.
Classics Society	BH	R16	13.20 – 13.50	Y9 – 13	Interested in the Ancient World? Come and hear about a range of speakers talking about a particular aspect of Ancient Greece or Rome and the way these great cultures have influenced our lives right through to today in the C21st.
Maths Investigation	IK	M1	13.30 – 13.55	Y7 - 8	Maths Investigation Club is a fun and engaging club for Year 7 students where they explore different areas of mathematics through hands-on challenges and puzzles. Each week, students tackle a new activity, from logic and number patterns to codes, probability, and real-life maths problems. The club encourages problem-solving, critical thinking, teamwork, and creativity, helping students enjoy maths in a practical and exciting way.
Natural Sciences Club	JL	Lab 6	13.30 – 14.00	Y7 - 13	The Natural Sciences Club is aimed at students who enjoy science and want to explore non-clinical career pathways within the field. The club will run talks and discussions on a wide range of science careers outside medicine and dentistry, such as environmental science, climate science, conservation, food science, bioinformatics, and other interdisciplinary scientific fields. Students interested in medicine or dentistry are also very welcome, as the club is designed to broaden understanding of science as a whole.
Y12 Chemistry Clinic	ASQ	Lab 1	13.30 – 13.55	Y12	You come with questions, we give you answers.
French Reading Club	PH	Language Lab	13.30 - 14.00	Y9 – 13	Do you love French? Are you interested in how French can be found across all disciplines? If you are interested in learning French at GCSE or A-level, or simply just love the language, this club is for you! Come to the French reading club today and learn about the latest scientific discoveries being made in France. Read extracts of French literature, philosophy and political theory all in the original language. Discover science journals and vocabulary, gain confidence in reading French, discover new vocabulary and hone your grammar skills. No matter what your interests, we've got something for you!
Brass Ensemble	PH	Handel Room	15.20 – 16.00	Y7 - 13	Brass Players, NO AUDITIONS.
Learn Korean!	AK	M5	15.20 – 16.20	Y7 - 13	Starting again after February Half-term. A chance to learn Korean with a qualified Korean teacher for free! To attend you need to have signed up via parentmail. This is a commitment that you need to stick with once you have joined. See Miss Koudela for more information.

Spring Term Extracurricular Timetable 2026
Extracurricular Google Classroom - pc7gvze

Symphony Orchestra	JH	Rehearsal Room	15.45 – 17.00	Y7 - 13	Orchestral instruments approx Grade 6+. Auditions for winds and principal string
--------------------	----	----------------	---------------	---------	--

WEDNESDAY

CLUB/SOCIETY	STAFF	WHERE	WHEN	WHO FOR	INFORMATION
Flute Ensemble I	Mrs Silverman	Music Room	13.15 – 14.00	Y7 - 13	Flute players Grades 6+. NO AUDITIONS!
Lunchtime Recitals	JH	Rehearsal Room	13:15 - 14:00	Y7 - 13	Weekly performance opportunities for all instruments and all grades. The sign-up sheet is on the 'Music at HBS' Google Classroom.
LAMDA	VL	Drama Studio	13.00 – 13.55	Y8 - 9 (with Y10 LAMDA Youth Leaders)	Students will continue their LAMDA journey, further developing confidence, communication and performance skills whilst working towards their graded LAMDA examination. LAMDA takes place each Wednesday lunchtime in the Drama Studio. Students must attend every workshop, arriving promptly with a nut free packed lunch. This is a paid activity and places are limited. Course 1 will be completed with the Examination Days taking place at HBS on Thursday 22nd and Friday 23rd January. Examination Day schedule to follow. A parent mail will be sent out to Year 8 and Year 9 students already signed up, offering the opportunity to start Course 2 straight after the examinations. If any new Year 8 and 9 students are interested in joining our LAMDA class, please email vlevy@hbschool.org.uk this week to add your name to the waiting list. Beginners welcome, as are those who have already studied LAMDA.
Geography Society	SP	R4/R3	13.20 – 14.00	Y7 – 13	Come to Geography Society to help find your place in the world. It is the place to be! Come along to hear online talks from academics talk or be interviewed passionately about their subject. When there are no lectures, there will be fun activities, films and quizzes to do, such as GeoGuessr. Also, remember to join the Geography Society Google Classroom – code ktk7use . It is regularly updated with interesting articles to further your reading, online lectures, competitions, and a lot more. Remember, without Geography you are nowhere!
Maths Clinic	CM	M3	13.20 – 14.00	Y7 – 13	In this club, we aim to help students who are currently struggling with homework or concepts from their maths lessons. We hope to make them more confident and competent mathematicians while allowing them to talk to older students who have also faced the same problems.
Bridge Club	CMA	PSHE	13.20 – 14.00	Y7 – 13	Open to complete beginners and experienced players, bridge is a great card game with a chess like mentality. Except it's better, you play with a partner against another pair in 7-minute rounds and try to outwit them. Snacks are provided and we have an English Bridge Union teacher leading the sessions. Come along and bring a friend!
Law Society	KE	R5	13.20 – 14.00	Y7 – 13	Interested in the Law? If so, come along to Law Society! You'll be able to take part in mock trials and discuss real world cases. We'll be covering cases in Criminal Law to Civil Law, so every week there'll be something new to experience! Everybody is welcome.

Spring Term Extracurricular Timetable 2026
Extracurricular Google Classroom - pc7gvze

French Singing Club	MH	Language Lab	13.20 – 14.00	Y7 – 13	A club where we learn French songs and improve our singing skills in general, with practice of techniques such as belting. You will also learn about the history of the singers and songs studied, and, of course, learn lots of new French vocabulary! We can only accommodate 30 students so get there quick if you want to take part.
Netball	JR + KS4	MUGA	13.15 – 13.50	Y7 – Y9	Skills and match play.
Robotics Club	MCI	DT Studio	13.15-14.00	Y7 - 13	During lunchtime, pupils will have the opportunity to build unique robots of all shapes, sizes and function. They will learn about gears, motors, sensors and mainboards work through fun and exciting challenges.
Biochemistry Society	WA	Lab 3	13.20 – 13.55	Y12 – 13	The Biochemistry Society offers hands-on practical activities such as polymer-slime synthesis to explore key biochemical principles, alongside engaging talks that introduce members to a wide range of real-world applications and current research in biochemistry. The society also runs dedicated revision sessions designed to clarify challenging concepts and reinforce core understanding in a supportive, collaborative environment.
Sew What?	MZ	DTE Studio	13.20 – 14.00	Y7 – 9	'Sew What?!' is the perfect club for students who want to get creative with fabric, thread, and imagination. Whether you're brand new to sewing or already love making things, you'll learn fun techniques, design your own projects, and bring your ideas to life—one stitch at a time! Come and join us. Limited spaces available!
Dentistry Society	JL	Lab 6	13.20 – 14.00	Y10 – 13	Our aim with starting the dental society at our school is to provide students thinking of pursuing a career in dentistry with a way to learn about the field within school. We want to make dentistry accessible for all students by helping them learn about the field through weekly discussions and presentations based on knowledge we have gathered through our own work experiences as well as having sessions focussed on practical skills by doing activities such as carving teeth into soap bars. We will also share advice for finding work experience in order to gain admission into dental courses; this society would be a valuable super curricular for university applications.
Economics Society	KR/RM	R8	13.20 - 13.55	Y10 – 13	Come to Economics Society to discuss what's happening in the news and how it relates to economics, learn about the stories and people behind economic theories as well as the future of our economy and more!
Physics Society	KM	Lab 5	13.20 – 13.55	Y10 – 13	A student-led club (Year 13) aimed at extending students' enjoyment and understanding of physics beyond the classroom, into research and a wide range of applications in everyday life. For example, last year we learned about cochlear implants, how Formula 1 cars are designed, black holes, the physics in neurology... If you like the topic of the week, just join us in Lab 5. Activities and talks will be advertised on the Physics Society Google Classroom which you can join with the code q3xcbwe

Spanish Society	GS	R10	13.20 – 13.55	Y10 – 13	Embark on a journey of language, culture, and connection as we come together to celebrate the richness of Spanish-speaking countries at Spanish Society every Tuesday lunchtime! Whether you are a seasoned speaker in sixth form or just beginning your exploration of the language in KS3, our club offers a welcoming space for all levels of proficiency. Immerse yourself in the language and hone your skills through interactive activities, games and conversations. From fashion to current affairs, film to music, there is something for everyone to enjoy and contribute to. With a welcoming community of language lovers and passionate prefects, Spanish Society provides an inclusive space where everyone can learn, grow and bond with like-minded Spanish enthusiasts. ¡Nos vemos en el club!
Recorder Ensemble	Ms Blumsohn	Mozart	13.15 - 13.55	Y7 - 13	Recorder players No Auditions! With Ms Blumsohn
French Debating Club	PH	Room 7	13.35 - 14.00	Y10 – 13	Come to this long-running club to enjoy debating topical and other key issues in French. For Year 13, the chance of competitions for those who wish. Great for fluency and general knowledge.
Jazz Band	PH	Music Room	16.00 – 17.00	Y7 - 13	Do you play Clarinet, Sax., Trumpet, Trombone, Guitar, Bass and Drums approx. grade 6+? AUDITIONS. (KS3 should have already played in one of the other HBS ensembles to be eligible).
Concert Orchestra	Mr Chernick	Rehearsal Room	15.30 – 16.30	Y7 – 13	Orchestral instrument players of approx. Grade 2+, COME AND JOIN! With Mr. Chernick.
Badminton	Dava Deo	Bigwood Hall	15.30 – 17.00	Y8 - 13	Coaching to develop skills and strategy.

THURSDAY

CLUB/SOCIETY	STAFF	WHERE	WHEN	WHO FOR	INFORMATION
Beginners/intermediate Chess Club	DS	H2	13.00-14.00	Y7-13	Open to beginners/intermediate chess players. Structured teaching with the aim of enhancing structured thinking, problem solving and healthy competition.
Robotics Club	MCI	DT Studio	13.15-14.00	Y7 - 13	During lunchtime, pupils will have the opportunity to build unique robots of all shapes, sizes and function. They will learn about gears, motors, sensors and mainboards work through fun and exciting challenges.

Camerata Strings	Student-led	Rehearsal Room	13.15-14.00	Y7 – 13	String players approx Grade 3+. No auditions!
Robotics Club	MCI	Workshop	13.15-14.00	Y7 - 13	During lunchtime, pupils will have the opportunity to build unique robots of all shapes, sizes and function. They will learn about gears, motors, sensors and mainboards work through fun and exciting challenges.
Gardening Club	BP	Lab 8	13.15 – 13.55	Y7 - 13	Autumn term we will be weeding our two flowerbeds, planting new bulb flowers in pots and flowerbeds, planting some vegetables in our raised bed, propagating some houseplants. Autumn term sessions will run until weather outside is too cold.
Med Research Soc	WA	Lab 3	13.20 – 13.55	Y7 - 13	Are you fascinated by medicine and the wonders of the human body? Come to Med Research Soc, where we explore a wide range of medicine-related topics! From exploring interesting neurological conditions in 'The Man Who Mistook His Wife For A Hat' to researching how AI could transform different areas of medicine (with plenty of opportunities to present your own research if you wish) and listening to talks from people who are passionate about medicine, our society offers something for everyone! We will also be holding fun medical trivia quizzes every couple of sessions with an exciting prize awaiting the person who has collected the most points at the end of the year. So whether you're planning to study medicine at university or just have a curiosity about medical science, this is the club for you!
Chinese Society	RX	Lab 4	13.20 – 13.55	Y7 - 13	Chinese Society is open to all. Come and join us to explore all aspects of Chinese culture, as we celebrate and share our experience of a wide range of festivals, history, language (Mandarin) and food!
Volleyball	KS	Gym	13.20 – 13.55	Y7 - 11	Join Volleyball club and become a part of an exciting sport where every player counts! Whether you're a beginner, or you play regularly, this is the place where you can learn new skills, build teamwork, and have fun! We'll begin by learning to serve, set, dig, and spike, before playing friendly matches with one another. Volleyball is an enjoyable

					sport of communication, strategy, and teamwork, we hope to see you there!
The Knit Lab	KD	M6	13.20 – 13.55	Y7 - 13	We are starting a science themed Crochet and Knitting Club soon and would love you to join! Whether you are a total beginner or already know your way around a pair of needles, everyone is welcome! Drop by physics office, biology prep or email us kdepala@hbschool.org.uk , rrobinson@hbschool.org.uk for more info.
MedEthics Debate Club	AS	Lab 1	13.20 – 14.00	Y7 - 13	Do you want to be a doctor, work in healthcare, or just enjoy debating deep moral questions? In this club we explore the toughest issues in medicine, from organ donation to artificial intelligence in healthcare, and debate them as a group. You'll learn how doctors make life-changing decisions, develop your critical thinking, and strengthen your public speaking skills in a fun, relaxed and supportive environment.
Art and Design Club	MM	Art Studio 2	13.20 – 14.00	Y7 - 13	Have you ever wanted to explore the world of art beyond pen and paper? Whether you're an experienced artist or just starting, come along to ART STUDIO 2 on FRIDAYS to learn about different areas of art and try out new techniques every week! From painting, to digital, to fabrics, crochet and fashion, there will be a chance to explore a variety of types of art and chances to practise and hone your own skills. Keep an eye out for talks or presentations about art history, character design, colour theory and aesthetics, or just come to make new artist friends and share artwork!
V&A Innovate Competition	MZ	DT Workshop	13.20 – 14.00	Y7 - 13	This new club is for students who are keen on taking part in V&A innovate competition. We'll be looking at previous work and competitors and discussing ideas, concepts for their own design responses and exploring potential solutions to this year's themes.
Advanced Debate Club	NGF	E2	13.20 – 14.00	Y9 - 13	The Advanced Debate Society is for Year 9+ students who want to develop critical thinking, public speaking, and confidence through interactive debates, small-group discussions, and competitive rounds. Members prepare arguments, practice rebuttals, and receive feedback on their performance, with prizes awarded for outstanding contributions. As the club grows, students will have the chance to participate in inter-school and university-level debates, explore campuses, and build connections with other students and institutions, giving a real taste of university life.

ONLINE CLUBS or AD-HOC clubs

CLUB/SOCIETY	STAFF	WHERE	WHEN	WHO FOR	INFORMATION
Economics Reading Club	KR	Online	N/A	Y7 - 13	An online club based on a Google Classroom. Read about and then discuss topics relating to economics and finance.
Green Team	AB	E4	13.20 – 14.00	Y7 - 13	Come to Green Team to discuss the most pressing environmental issues of our time. Whether or not you want to work in environmental policy, Green Team will provide you with the vital skills needed to function in a sustainable economy. Working with Barnet Council, we will be hosting discussions on school wide environmental action. Along with debates and challenges, bringing in guest speakers, and running competitions in and out of school. Whether you are a budding activist or simply care about the environment, Green Team is the place for you. Mandatory for form group Green Reps.
