

MONDAY

CLUB/SOCIETY	STAFF	WHERE	WHEN	WHO FOR	INFORMATION
Robotics Club	MCI	DT Studio	13.15-14.00	Y7 - 13	During lunchtime, pupils will have the opportunity to build unique robots of all shapes, sizes and function. They will learn about gears, motors, sensors and mainboards work through fun and exciting challenges.
Junior Choir	NH	Rehearsal Room	13.20 – 14.00	Y7 – 8	Students in Years 7 + 8 who love singing. We will be covering a wide range of musical genres and having fun. No audition necessary.
LAMDA	VL	Drama Studio	13.20 – 14.15	Y8/9 with Y10 LAMDA Youth Leaders (LYL)	LAMDA Acting Course 1 for Years 8 and 9 students who have already signed up. LAMDA students will have fun making friends whilst developing acting and performance skills, ably assisted by Year 10 LYL. LAMDA Course 1 runs from Monday 5th October to Monday 25th January, with the examinations taking place at HBS on Thursday 28th and Friday 29th January. Students are committed to attend every Monday, arriving promptly with their scripts and a nut free packed lunch. Looking forward to an exciting term ahead.
Spanish Speaking Club	MH	Language Lab	13.45 – 14.15	Y10 - 11	This club is open for KS4 students who want to practise their Spanish speaking skills with a mix of activities, going from speaking with each other using GCSE-type questions, to playing games in Spanish.
MFL Film Club	MH	R10	13.35 – 14.15	Y7 – 13	MFL Film Club will be an opportunity for students to explore the world of film in the languages they study at school. It will allow them to understand the languages at a greater level of fluency, apply their own knowledge learnt in lessons, enrich their language skills and generally create a greater appreciation for foreign languages. There will be snacks!
Geography Society/Green Team	SP	R3	13.30 – 14.00	Y7 – 13	Come to Geography Society to help find your place in the world. It is the place to be! Come along to hear online talks from students or academics. When there are no lectures, there will be fun activities, films and quizzes to do, such as GeoGuessr. Also, remember to join the Geography Society Google Classroom – code ktk7use . It is regularly updated with interesting articles to further your reading, online lectures, competitions, and a lot more. Remember, without Geography you are nowhere! This year we will combine Green Team with some meetings being devoted to the work of the Green Team. Green team meetings are compulsory for Form Green Reps .
Politics Society	JT	H2	13.25 – 14.00	Y7 – 13	Think you have the skills to be the next Prime Minister? Come along to Politics Society to get involved with the world of politics. Engage with debates on a variety of political issues, explore the realm of policymaking, and listen to a range of speakers ranging from students to professionals. The club is open to anyone with any degree of interest in politics, and will cover both the basics and the real philosophical questions. Join our Google Classroom for more information: awxuit7.
Parkrun	KF	Meet outside changing area	13.25 – 13.50	Y7 – 13	An opportunity to develop your fitness and well-being by walking, jogging or running off-site. You will go on different routes working at your own fitness level. Our aim is to build up to a 5km Parkrun. The session starts early to allow you to eat lunch afterwards. Please buy your lunch at break or bring a packed lunch. This club is for EVERYBODY.

Autumn Term Extracurricular Timetable 2026
Extracurricular Google Classroom - pc7gvze

Debating Club	DSL	H1	13.35 – 14.15	Y7 - 13	Come to Debating Club to discuss the most pressing issues of the day, ranging from zombies versus vampires, to the morality of grammar schools, to Harry Potter versus Percy Jackson. A welcoming environment to develop confidence in debating skills, to learn, and to have fun! Come along Monday lunchtimes in H1 and bring your friends. It is welcome to all years.
Neuroscience Club	RG	Lab 7	13.35 – 14.15	Y7 - 11	Neuroscience Club is a chance to explore the most complex organ in the human body, and uncover what's actually going on inside that head of yours. Each week, we'll learn about a different part of the brain, discovering what it does, how it works, and the surprising ways it shapes how we think, feel, and behave. There's no prior knowledge needed, just a brain (inside your skull will do) and a heap load of curiosity!
Volleyball	JR + students	Gym	13.30 – 14.00	Y8 - 13	Join Volleyball club and become a part of an exciting sport where every player counts! Whether you're a beginner, or you play regularly, this is the place where you can learn new skills, build teamwork, and have fun! We'll begin by learning to serve, set, dig, and spike, before playing friendly matches with one another. Volleyball is an enjoyable sport of communication, strategy, and teamwork, we hope to see you there!
UKSDC Club	KM	Lab 5	13.40 – 14.15	Y11 - 13	UKSDC (UK Space Design Competition) is back! We'll be designing futuristic space settlements to prepare for the selection of a team to attend the Regional Finals at Imperial in November (See: https://uksdc.org/ for more). We need a range of skill including Engineers, Computer Scientists, Economists, Medics and more!
ISoc	ASQ	M6	13.40 – 14.15	Y7 - 13	Our ISOC is a welcoming space for all students to share experiences and build strong relationships within the school's islamic community. We discuss topics that matter to us as muslim youth, from islamophobia in the media to wearing the hijab, to the meaning behind prayer. Our activities include kahoots, bake sales, talks from speakers and the opportunity to present. We're also proud of our charity work with Islamic Relief, raising over £5000 last year as well as hosting HBS' first ever Ramadan Iftar that brought the whole school community together. We can't wait to do it all again this year, even better and would love to have you!
Astronomy Club	RX	Lab 4	13.40 – 14.10	Y7 - 11	Come to Astronomy Club! Each week we'll explore different areas of Astronomy in easy-to-understand depth, by having talks, discussions and the occasional debate. Whether you're already interested and passionate about astronomy, or merely curious - everyone is welcome to come along and expand their horizons beyond our Earth.
Tang Soo Do	John Stavrou (coach)	Gym	15.45 – 17.00	Y7 - 13	Tang Soo Do is a Korean art of self-defence. The name “Tang Soo Do” in Korean means “The way of the empty hand”. Tang Soo Do is taught in a non-contact environment. Training includes the teaching of self-defence techniques, hand and foot techniques, controlled sparring and free fighting, stances, pattern forms, and breathing exercises. This is a charge for this activity. This club runs throughout the whole year.

TUESDAY

CLUB/SOCIETY	STAFF	WHERE	WHEN	WHO FOR	INFORMATION
Guitar Ensemble	IG	Music Room	8.20 – 8.45	Y7 – 13	This is open to guitar players of all levels and is directed by Mr Goldberg. No audition necessary. Please ask your music teacher for more information if you would like to join.
Chamber Orchestra	MG	Rehearsal Room	13.45 – 14.15	Y7 – 13	String Players of Grade 6 and above. This is an advanced ensemble and is auditioned. Players must commit to weekly rehearsals and ideally also play in the Symphony orchestra
Baroque Ensemble	HBR	Music Room	13.45 – 14.15	Y7 – 13	This is open to string and wind players of grade 4+. Repertoire will be from the Baroque period. This ensemble will be run by Ms. Blumsohn and no audition is necessary.
The Knit Lab	KD/RR	L5	13:40 - 14:10	Y7 - 13	We are starting a science themed Crochet and Knitting Club soon and would love you to join! Whether you are a total beginner or already know your way around a pair of needles, everyone is welcome! Drop by physics office, biology prep or email us kdepala@hbschool.org.uk , rrobinson@hbschool.org.uk for more info.
LAMDA	VL	Drama Studio	13.20 – 14.15	Y8/9 with Y10 LAMDA Youth Leaders (LYL)	LAMDA Acting Course 1 for Years 8 and 9 students who have already signed up. LAMDA students will have fun making friends whilst developing acting and performance skills, ably assisted by Year 10 LYL. LAMDA Course 1 runs from Tuesday 6th October to Tuesday 26th January, with the examinations taking place at HBS on Thursday 28th and Friday 29th January. Students are committed to attend every Tuesday, arriving promptly with their scripts and a nut free packed lunch. Looking forward to an exciting term ahead.
Learn Korean!	AK	TBC	13.25 – 14.15	Y7 - 13	A chance to learn Korean with a qualified Korean teacher for free! To attend you need to have signed up via parentmail. This is a commitment that you need to stick with once you have joined. See Miss Koudela for more information.
Multi-gym	KF	Multi-gym	13.30 – 14.00	Y9 – 11	An opportunity to use the Multi-gym facility and work on their own fitness.
Bridge Club	NC	PSHE	13.35 – 14.15	Y7 – 13	Open to complete beginners and experienced players, bridge is a great card game with a chess like mentality. Except it's better, you play with a partner against another pair in 7-minute rounds and try to outwit them. Snacks are provided and we have an English Bridge Union teacher leading the sessions. Come along and bring a friend!
Electronics Club	MCI	DTE Studio	13.20 – 14.00	Y8 – 12	Learning about electronic components, Designing and building circuits, Coding and product design, Developing presentation and communication skills through project pitches. Towards the end of the year, we hope to participate in external electronics competitions. If this is not possible, we will organise another large-scale term project.
Engineering Society	MCI	DTE Studio	13.40 – 14.15	Y7 - 11	A weekly club where you will have to opportunity to solve challenges in teams through engineering. Students will have to use their creativity, logic and critical thinking to evaluate these solutions and develop effective solutions. Each challenge will run over the course of two weeks to enable groups to have the time needed, and prizes will be awarded to groups we see have worked

Autumn Term Extracurricular Timetable 2026

Extracurricular Google Classroom - pc7gvze

					well together, approached the problem uniquely and developed the most effective and well researched solution!
JSoc	EMB	R7	13.30 – 14.15	Y7 - 13	Come along to JSoc for a mix of external speakers, student-led presentations, discussions, games and more! Throughout the year we'll be exploring Jewish traditions, history and philosophy. Whether you're a Jewish student wanting to learn more about your identity or you're simply curious about Jewish culture, everyone is welcome. If you have any questions, feel free to ask Sigal and Elodie (Y13). Kosher pizza is provided weekly.
Law Society	JT	H2	13.35 – 14.15	Y7 – 13	Ever wondered if it's ever okay to break the law? Or who should be blamed when something goes wrong? At Law Society, we'll explore weird, surprising and fascinating laws through famous cases, debates and real-life mysteries. For the upper years, bar mock trial within law soc will also be a useful opportunity to develop your interest in the law in a hands-on manner!
Dentistry Society	JL	Lab 6	13.35 – 14.15	Y9 – 13	Our aim with starting the dental society at our school is to provide students thinking of pursuing a career in dentistry with a way to learn about the field within school. We want to make dentistry accessible for all students by helping them learn about the field through weekly discussions and presentations based on knowledge we have gathered through our own work experiences as well as having sessions focussed on practical skills by doing activities such as carving teeth into soap bars. We will also share advice for finding work experience in order to gain admission into dental courses; this society would be a valuable super curricular for university applications.
Surgery Society	BHG	Art Studio 2	13.35 – 14.15	Y9 – 13	Are you fascinated by medicine and the operating theatre? Join the new Surgery Club, where we will dive into the academic side of medicine by exploring neurosurgery specialties, complex medical ethics, real patient case examples, and fun interactive activities designed to simulate the world of surgery. (There will be treats for all of our successful surgeons)!
STEM Quest	CM	M1	13.40 – 14.10	Y7 - 11	STEM Quest Club is an engaging, hands-on lunchtime club running every Tuesday, where students can explore physics, engineering, and other areas of STEM through exciting experiments, creative projects, challenges, and competitions. With snacks, teamwork, and rewards, the club is all about learning, problem-solving, and putting STEM skills to the test in a fun and engaging way.
Classics Society	BH	Room 1	13.45 – 14.15	Y9 – 13	Our team of enthusiastic Classicists, Roxie, Hitha, Shristi and Venisha, would like to offer you the opportunity to learn more about the ancient world, and to reflect on how much it continues to influence life today. We invite speakers from within school and beyond to share their passion for the subject. Keep an eye out for notices advertising the speakers and their chosen topics.
Maths Clinic	CM	M3	13.45 – 14.15	Y7 – 13	In this club, we aim to help students who are currently struggling with homework or concepts from their maths lessons. We hope to make them more confident and competent mathematicians while allowing them to talk to older students who have also faced the same problems.
Biochemistry Society	WA	Lab 3	13.45 – 14.15	Y9 – 13	Lively debate, in-depth discussions and thought-provoking presentations to do with all things Biology and Chemistry related. We will invite both internal and external speakers to present on their own areas of interest.
KS4 Chemistry Clinic	IPE	Lab 2	13.45 – 14.15	Y9 – 11	Need a little help with Chemistry? We're here for you.
Symphony Orchestra	MG	Rehearsal Room	15.30 – 16.30	Y7 - 13	This is the largest ensemble in music department and open to students in Years 8 and above. Audition necessary. Ms. Gill will be directing this ensemble

WEDNESDAY

CLUB/SOCIETY	STAFF	WHERE	WHEN	WHO FOR	INFORMATION
Flute Ensemble	Mrs Silverman	Music Room	13.45 – 14.15	Y7 - 13	This ensemble is open to flute players grades 1 and above. No audition necessary. With Ms Silverman
Senior Choir	AS	Rehearsal Room	13.25 – 14.15	Y9 – 13	Students in Y9-13 who would like to sing a wide variety of repertoire with mostly, but not exclusively a classical focus. This is very strongly recommended to ALL GCSE/A Level students as a way of developing ear skills. NO AUDITIONS.
LAMDA	VL	Drama Studio	13.20 – 14.15	Y8/9 with Y10 LAMDA Youth Leaders (LYL)	LAMDA Acting Course 1 for Years 8 and 9 students who have already signed up. LAMDA students will have fun making friends whilst developing acting and performance skills, ably assisted by Year 10 LYL. LAMDA Course 1 runs from Wednesday 7th October to Wednesday 27th January, with the examinations taking place at HBS on Thursday 28th and Friday 29th January. Students are committed to attend every Wednesday, arriving promptly with their scripts and a nut free packed lunch. Looking forward to an exciting term ahead.
English Extension	AH	E2	13.35 – 14.15	Y7 - 13	Love English? Want to go beyond the curriculum? Come along to E2 for talks given by HBS students on a range of exciting literature-themed topics. This will comprise a series of lectures/seminars on topics relating to literature, but going beyond the syllabus. Some will be teacher-led, some student-led, and some will involve outside speakers. Keep an eye on for change of location on some occasions. Feel free to bring your lunch!
Sew What?	MZ	DTE Studio	13.20 – 14.00	Y7 – 9	'Sew What?!' is the perfect club for students who want to get creative with fabric, thread, and imagination. Whether you're brand new to sewing or already love making things, you'll learn fun techniques, design your own projects, and bring your ideas to life—one stitch at a time! Come and join us. Limited spaces available!
Football	JR + students	MUGA	13.30 – 14.00	Y7 - 13	Skills and match play.
Medistry	IPE	Lab 2	13.40 - 14.15	Y7 – 13	For anyone interested in Medicine, Dentistry and healthcare. The club will explore the science behind the human body, the connection between oral and wider health, medical ethics and current healthcare issues, while also giving students an insight into different medical and dental careers. Through discussions, case studies, practical activities, debates and guest speakers from different specialties, the club aims to engage and interest students into the world of medicine and dentistry.
Economics Society	KR/RM	Room 8	13.40 - 14.15	Y10 – 13	Come to Economics Society to discuss what's happening in the news and how it relates to economics, learn about the stories and people behind economic theories as well as the future of our economy and more!

Autumn Term Extracurricular Timetable 2026
Extracurricular Google Classroom - pc7gvze

Physics Society	KM	Lab 5	13.40 – 14.10	Y10 – 13	A student-led club (Year 13) aimed at extending students' enjoyment and understanding of physics beyond the classroom, into research and a wide range of applications in everyday life. For example, last year we learned about cochlear implants, how Formula 1 cars are designed, black holes, the physics in neurology... If you like the topic of the week, just join us in Lab 5. Activities and talks will be advertised on the Physics Society Google Classroom which you can join with the code q3xcbwe
Y13 Chemistry Clinic	WA	Lab 3	13.45 – 14.15	Y13	Need a little help with Chemistry? We're here for you.
Mythology Club	BH	Room 2	13.45 – 14.15	Y7 – 11	Are you interested in mythology and fascinated by different world cultures? Although we are particularly inspired by Ancient Greek and Roman stories, in mythology club we are happy to explore myths from around the world. Led by Sofia and Sahana, weekly activities vary, but are often based on the wishes of those attending the sessions.
MedEthics Debate Club	ASQ	Lab 1	13.45 – 14.15	Y12 - 13	Do you want to be a doctor, work in healthcare, or just enjoy debating deep moral questions? In this club we explore the toughest issues in medicine, from organ donation to artificial intelligence in healthcare, and debate them as a group. You'll learn how doctors make life-changing decisions, develop your critical thinking, and strengthen your public speaking skills in a fun, relaxed and supportive environment.
French Reading Club	PH	Language Lab	13.50 - 14.15	Y9 – 13	Do you love French? Are you interested in how French can be found across all disciplines? If you are interested in learning French at GCSE or A-level, or simply just love the language, this club is for you! Come to the French reading club today and learn about the latest scientific discoveries being made in France. Read extracts of French literature, philosophy and political theory all in the original language. Discover science journals and vocabulary, gain confidence in reading French, discover new vocabulary and hone your grammar skills. No matter what your interests, we've got something for you!
Wind Band	HBR	Rehearsal Room	15.25 – 17.00	Y7 - 13	This fun ensemble is open to all woodwind and brass players grade 3 and above and will be directed by Mr. Brown. Repertoire of a wide variety of genres!
Badminton	Dava Deo	Bigwood Hall	15.25 – 16.55	Y8 - 13	Coaching to develop skills and strategy.

THURSDAY

CLUB/SOCIETY	STAFF	WHERE	WHEN	WHO FOR	INFORMATION
Beginners/Intermediate Chess Club	DS	H2	13.20-14.15	Y7-13	Open to beginners/intermediate chess players. Structured teaching with the aim of enhancing structured thinking, problem solving and healthy competition.
History Society	DH	PSHE	13.35 – 14.15	Y7 – 13	The Earth is 4.54 billion years old. Homosapiens have existed for the past 300,000 years. You're never going to know everything that's happened before us, but wouldn't it be fun to find out as much as you can? History Society lets students discover more about the past beyond what the curriculum requires of them and allows them to find out what interests them about the past from a number of different topics that'll vary from Chinese Emperors poisoning their own sons to Cambridge students defecting to become Soviet Union spies. There's something for everyone, so whether you like wars, espionage or assassinations, be sure to come along!
Basic First Aid Course	KG	The Hub	13.40 – 14.10	Y7 – 13	An opportunity to learn incredibly useful and practical first aid skills that could make the difference in saving someone's life! One term will leave you with basic first aid skills! Please come every week to fully engage in the course. This 7-8 week course should repeat every half term.
MedSoc	RG	Lab 7	13.40 - 14.15	Y9 – 13	HBS MedSoc explores medicine-related topics through interactive sessions, discussions and workshops with activities ranging from banana suturing to insightful debates and guest speakers. We support aspiring medics by sharing insights, practising key skills and creating a space to learn and grow together.
Chamber Choir	Ms Beckley	Music Room	13.20-13.55	Y9 – 13	Auditioned. Singers who currently sing in HBS Choir. With Ms Beckley.
Musical Theatre Society	AWD	Drama Studio	13.35 – 14.20	Y7 – 9	Musical Theatre Society is a great club for anyone who loves musical theatre. We'll work towards a final performance, preparing two whole-cast numbers alongside a selection of solos, duets and small-group performances. Everyone is welcome to take part in the whole-cast numbers, while auditions will be held for the solos, duets and small groups.
Physics GCSE Clinic	RX	Lab 4	13:30 - 14:10	Y9 – 11	Come and ask any GCSE questions for 1:1/small groups.
Physics A Level Clinic	KM	Lab 5	13:30 - 14:10	Y12 – 13	Come and ask any A Level questions for 1:1/small groups.
Drug and Medicine Discovery Club	JL	Lab 6	13:30 - 14:10	Y8 – 13	Drug discovery club is for anyone interested about how new medicines are found and developed. Meetings explore the science behind pharmaceutical research - from identifying disease targets and designing candidate molecules, to understanding clinical trials and the journey a drug takes from lab bench to pharmacy shelf. Expect discussions on topics like antibiotic resistance, cancer therapeutics, and AI's growing role in drug design, alongside hands-on activities such as molecule-building, case studies of famous drug discoveries, and guest talks where possible. Open to anyone interested in chemistry, biology, or medicine - no prior knowledge required, just curiosity about how drugs are made!

Autumn Term Extracurricular Timetable 2026
Extracurricular Google Classroom - pc7gvze

Physics Behind the Impossible	RGS	Room 16	13.30 – 14.15	Y7 – 13	Come along to discover and discuss ideas in Physics. Could time travel happen? How would an invisibility cloak work? Is faster-than-light travel possible? Could we detect life on an exoplanet without ever visiting it? What would actually happen if you fell into a black hole? What is the fastest way humans could realistically reach Mars?
Junior String Ensemble	MY	Rehearsal Room	13.45 – 14.15	Y7 – 13	This fun ensemble is open to string players grade 1+ and no audition is necessary
Ancient Greek Club	BH	Room 2	13.45 – 14.15	Y7 – 13	If you love languages, you will certainly love Ancient Greek! Whether you currently know no Greek at all, have maybe learned just a little during Classics lessons, or have already started to study it, Robyn will help you to move your learning on to the next level.
French Debating Club	PH	Language Lab	13.50 - 14.15	Y10 – 13	Come to this long-running club to enjoy debating topical and other key issues in French. For Year 13, the chance of competitions for those who wish. Great for fluency and general knowledge.
HBS Concert Orchestra	HBR	Rehearsal Room	15.30 – 16.30	Y7 – 13	Open to players of orchestral instruments of Grade 2+. This is a fun ensemble and will be run this term by Mr. Brown on Thursdays after school. No audition necessary.
Badminton	Dava Deo	Bigwood Hall	15.25 – 16.55	Y8 – 13	Coaching to develop skills and strategy.

FRIDAY

CLUB/SOCIETY	STAFF	WHERE	WHEN	WHO FOR	INFORMATION
Advanced Level Chess Club	DS	H2	13.20 – 14.15	Y7 – 13, but by invite only.	Available to students invited by chess coach. The first session will be on Friday 24th September. The last session will be on Friday 10th December.
Netball Match play	KF + students	MUGA	13.30 – 14.00	Y7 – 13	Netball match play.
Chinese Society	RX	Lab 4	13.40 – 14.10	Y7 - 13	Chinese Society is open to all. Come and join us to explore all aspects of Chinese culture, as we celebrate and share our experience of a wide range of festivals, history, language (Mandarin) and food!
Year 12 Chemistry Clinic	ASQ	Lab 1	13.45 – 14.15	Y12	Need a little help with Chemistry? We're here for you.
